CREDIT ELSEWHERE CERTIFICATION: Borrower hereby certifies that he/she is unable to obtain sufficient credit elsewhere to finance his/her actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near his/her community for loans for similar purposes and periods of time, and that the loan evidenced hereby shall be used solely for purposes authorized by the Government.

LEASE OR SALE OF PROPERTY: If the property constructed, improved, purchased, or refinanced in whole or in part with the loan evidenced hereby is (1) leased or rented with an option to purchase, (2) leased or rented without option to purchase for a term exceeding 3 years, or (3) sold or title is otherwise conveyed, voluntarily or involuntarily, the Government may at its option declare the indebtedness evidenced hereby immediately due and payable.

REFINANCING AGREEMENT: Borrower hereby agrees to provide periodic financial information as requested by the Government. If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and period of time, Borrower will, at the Government's request, apply for and accept a loan in sufficient amount to pay this note in full and, if the lender is a cooperative, to pay for any necessary stock. This paragraph and the preceding paragraph shall not apply to any cosigner signing this note pursuant to Section 502 of the Housing Act of 1949 to compensate for deficient repayment ability of other undersigned person(s).

CREDIT SALE TO NONPROGRAM BORROWER: The provisions of the paragraphs entitled "Credit Elsewhere Certification," and "Refinancing Agreement" do not apply if (1) this promissory note represents in whole or part payment for property purchased from the Government and (2) the loan represented by this promissory note was made to the borrower as a nonprogram borrower under Title V of the Housing Act of 1949, as amended, and regulations promulgated thereunder.

THIS MORTGAGE is made and entered into by David H. Fox, Jr. and Nancy L. Fox

residing in LANCASTER County, Pennsylvania, whose post office address is

herein called "Borrower," and The United States of America, acting through the Farmers Home Administration, United States Department of Agriculture, the Mortgagee, whose principal office is located in Washington, D.C., herein called the "Government," and:

WHEREAS Borrower is indebted to the Government, as evidenced by one or more promissory note(s) or assumption agreement(s) or any shared appreciation or recapture agreement, herein called "note," which has been executed by Borrower, is payable to the order of the Government, authorizes acceleration of the entire indebtedness at the option of the Government upon any default by Borrower, and is described as follows:

<u>Date of Instrument</u>	<u>Principal Amount</u>	<u>Annual Rate of Interest</u>	<u>Due Date of Final Installment</u>
August 30, 1991	\$ 77,500.00	8-3/4	August 30, 2024

(The interest rate for limited resource farm ownership or limited resource operating loan(s) secured by this instrument may be increased as provided in the Farmers Home Administration regulations and the note.)

And it is the purpose and intent of this instrument that, among other things, at all times when the note is held by the Government, or in the event the Government should assign this instrument without insurance of the note, this instrument shall secure payment of the note; but when the note is held by an insured holder, this instrument shall not secure payment of the note or attach to the debt evidenced thereby, but as to the note and such debt shall constitute an indemnity mortgage to secure the Government against loss under its insurance contract by reason of any default by Borrower.

And this instrument also secures the recapture of any interest credit or subsidy which may be granted to the Borrower by the Government pursuant to 42 U.S.C. §1490a, or any amounts due under any Shared Appreciation Agreement/Recapture Agreement entered into pursuant to 7 U.S.C. 2001.

NOW, THEREFORE, in consideration of the loan(s) and (s) at all times when the note is held by the Government, or in the event the Government should assign this instrument without insurance of the payment of the note, to secure prompt payment of the note and any renewals and extensions thereof and any agreements contained therein, including any provision for the payment of an insurance or other charge, (b) at all times when the note is held by an insured holder, to secure performance of Borrower's agreement herein to indemnify and save harmless the Government against loss under its insurance contract by reason of any default by Borrower, and (c) in any event and at all times to secure the prompt payment of all advances and expenditures made by the Government, with interest, as hereinafter described, and the performance of every covenant and agreement of Borrower contained herein or in any supplementary agreement, Borrower does hereby grant, convey, mortgage, assign, and forever warrant unto the Government the following property situated in the State of

TO HAVE AND TO HOLD the property unto the Government and its assigns forever in fee simple.

This is a purchase money mortgage under the lien priority laws of the Commonwealth of Pennsylvania, as amended. BORROWER for Borrower's self, Borrower's heirs, executors, administrators, successors and assigns WARRANTS THE TITLE to the property to the Government against all lawful claims and demands whatsoever except any liens, encumbrances, easements, reservations, or conveyances specified hereinabove, and COVENANTS AND AGREES as follows:

(1) To pay promptly when due any indebtedness to the Government hereby secured and to indemnify and save harmless the Government against any loss under its insurance of payment of the note by reason of any default by Borrower. At all times when the note is held by an insured holder, Borrower shall continue to make payments on the note to the Government, as collection agent for the holder.

(2) To pay to the Government such fees and other charges as may now or hereafter be required by regulations of the Farmers Home Administration.

(3) If required by the Government, to make additional monthly payments of 1/12 of the estimated annual taxes, assessments, insurance premiums and other charges upon the mortgaged premises.

(4) Whether or not the note is insured by the Government, the Government may at any time pay any other amounts including advances for payment of prior and/or junior liens, required herein to be paid by Borrower and not paid by Borrower when due, as well as any costs and expenses for the preservation, protection, or enforcement of this lien, as advances for Borrower's account. All such advances shall bear interest at the rate borne by the note which has the highest interest rate.

(5) All advances by the Government including advances for payment of prior and/or junior liens, in addition to any advances required by the terms of the note, as described by this instrument, with interest shall be immediately due and payable by Borrower to the Government without demand at the place designated in the latest note and shall be secured hereby. No such advance by the Government shall relieve Borrower from breach of Borrower's covenant to pay. Any payments made by Borrower may be applied on the note or any indebtedness to the Government secured hereby, in any order the Government determines.

(6) To use the loan evidenced by the note solely for purposes authorized by the Government.

(7) To pay when due all taxes, liens, judgments, encumbrances, and assessments lawfully attaching to or assessed against the property, including all charges and assessments in connection with water, water rights, and water stock pertaining to or reasonably necessary to the use of the real property described above, and promptly deliver to the Government without demand receipts evidencing such payments.

(9) To maintain improvements in good repair and make repairs required by the Government; operate the property in a good and husbandlike manner; comply with such farm conservation practices and farm and home management plans as the Government from time to time may prescribe; and not to abandon the property or cause or permit waste, leaching or impairment of the security covered hereby, or, without the written consent of the Government, cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals except as may be necessary for ordinary domestic purposes.

(10) To comply with all laws, ordinances, and regulations affecting the property.

(11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and conveying the property.

3243 0491

- (12) Except as otherwise provided by the Farmers Home Administration regulations, neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest in or to the lien or any benefits hereof.
- (13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.
- (14) The Government may (a) adjust the interest rate, payment, terms or balance due on the loan, (b) increase the mortgage by an amount equal to deferred interest on the outstanding principal balance, (c) extend or defer the maturity of, and renew and reschedule the payments on, the debt evidenced by the note or any indebtedness to the Government secured by this instrument, (d) release any party who is liable under the note or for the debt from liability to the Government, (e) release portions of the property and subordinate its lien, and (f) waive any other of its rights under this instrument. Any party's liability to the Government for payment of the note or debt secured by this instrument of Borrower's or any other party is in writing. HOWEVER, any forbearance by the Government whether once or often is exercising any right or remedy under this instrument, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.
- (15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and purposes, Borrower will upon the Government's request, apply for and accept such loan in sufficient amount to pay this note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.
- (16) Default hereunder shall constitute default under any other real estate, or under any personal property, or other security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.
- (17) SHOULD DEFAULT occur in the performance or discharge of any obligations in this instrument or secured by this instrument, or should the parties named as Borrower die or be declared incompetent, or should any one of the parties named as Borrower be discharged in bankruptcy or declared an insolvent or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future laws.
- (18) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (f) any balance to Borrower. At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.
- (19) Borrower agrees that the Government will not be bound by any present or future laws, (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action must be brought, (c) prescribing any other statute of limitations, or (d) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new Borrower. Borrower expressly waives the benefit of any such State laws. Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent.
- (20) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex, national origin, handicap, familial status or age, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex, national origin, handicap, familial status or age.
- (21) Borrower further agrees that the loan(s) secured by this instrument will be in default should any loan proceeds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 CFR Part 1940, Subpart G, Exhibit M.
- (22) Upon default by Borrower as aforesaid, the Government may foreclose this instrument as authorized or permitted by the laws then existing of the jurisdiction where the property is situated and of the United States of America, on terms and conditions satisfactory to the Government, including but not limited to foreclosure by (a) statutory power of sale, or (b) advertisement and sale of the property at public auction to the highest bidder in cash or more parcels at the Government's option and at the time and place and in the manner and after such notice and on terms required by statute or determined by the Government if not contrary to statute, or (c) written agreement hereafter made between Borrower and the Government.
- (23) THIS DOCUMENT MAY NOT SELL, CONVEY, TRANSFER, INCLUDE, OR INSURE THE TITLE TO THE COAL AND RIGHT OF SUPPORT UNDERNEATH THE SURFACE LAND DESCRIBED OR REFERRED TO HEREIN, AND THE OWNER OR OWNERS OF SUCH COAL MAY HAVE THE COMPLETE LEGAL RIGHT TO REMOVE ALL SUCH COAL, AND IN THAT CONNECTION, DAMAGE MAY RESULT TO THE SURFACE OF THE LAND AND ANY HOUSE, BUILDING, OR OTHER STRUCTURE ON OR IN SUCH LAND. THE INCLUSION OF THIS NOTICE DOES NOT ENLARGE, RESTRICT OR MODIFY ANY LEGAL RIGHTS OR ESTATES OTHERWISE CREATED, TRANSFERRED, EXCEPTED OR RESERVED BY THIS INSTRUMENT.

(24) This instrument shall be subject to the present regulations of the Farmers Home Administration, and to its future regulations not inconsistent with the express provisions hereof.

(25) Notices given hereunder shall be sent by certified mail, unless otherwise required by law, and addressed, unless and until some other address is designated in a notice so given, in the case of the Government to Farmers Home Administration, One Credit Union Place, Suite 330, Harrisburg, Pennsylvania 17110-2996, and in the case of Borrower to the address shown in the Farmers Home Administration Finance Office records (which normally will be the same as the post office address shown above).

(26) If any provision of this instrument or application thereof to any person or circumstances is held invalid, such invalidity will not affect other provisions or applications of the instrument which can be given effect without the invalid provision or application, and to that end the provisions hereof are declared to be severable.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to the Borrower as requested by Borrower and approved by the Government. Approval of the Government is mandatory provided the advance is requested for a purpose authorized by the Government. Interest shall accrue on the amount of each advance from its actual date as shown on the reverse hereof. Borrower authorizes the Government to enter the amount and date of such advance in the Record of Advances.

Payment of principal and interest shall be applied in accordance with FmHA accounting procedures in effect on the date of receipt of the payment. Borrower agrees to pay late charges in accordance with FmHA regulations in effect when a late charge is assessed.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Borrower agrees that the Government at any time may assign this note. If the Government assigns the note and insures the payment thereof, and in such case, though the note is not held by the Government, Borrower shall continue to pay to the Government, as collection agent for the holder, all installments of principal and interest as scheduled herein.

If this note is held by an insured lender, prepayments made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower, and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

CREDIT ELSEWHERE CERTIFICATION: Borrower hereby certifies that he/she is unable to obtain sufficient credit elsewhere to finance his/her actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near his/her community for loans for similar purposes and periods of time, and that the loan evidenced hereby shall be used solely for purposes authorized by the Government.

LEASE OR SALE OF PROPERTY: If the property constructed, improved, purchased, or refinanced in whole or in part with the loan evidenced hereby is (1) leased or rented with an option to purchase, (2) leased or rented without option to purchase for a term exceeding 3 years, or (3) sold or title is otherwise conveyed, voluntarily or involuntarily, the Government may at its option declare the indebtedness evidenced hereby immediately due and payable.

REFINANCING AGREEMENT: Borrower hereby agrees to provide periodic financial information as requested by the Government. If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and period of time, Borrower will, at the Government's request, apply for and accept a loan in sufficient amount to pay this note in full and, if the lender is a cooperative, to pay for any necessary stock. This paragraph and the preceding paragraph shall not apply to any comaker signing this note pursuant to Section 502 of the Housing Act of 1949 to compensate for deficient repayment ability of other undersigned person(s).

CREDIT SALE TO NONPROGRAM BORROWER: The provisions of the paragraphs entitled "Credit Elsewhere Certification," and "Refinancing Agreement" do not apply if (1) this promissory note represents in whole or part payment for property purchased from the Government and (2) the loan represented by this promissory note was made to the borrower as a nonprogram borrower under Title V of the Housing Act of 1949, as amended, and regulations promulgated thereunder.

DEFAULT: Failure to pay when due any debt evidenced hereby or perform any covenant or agreement hereunder shall constitute default under this instrument and any other instrument evidencing a debt of Borrower owing to, insured or Guaranteed by the Government or securing or otherwise relating to such a debt; and default under any such other instrument shall constitute default hereunder. UPON ANY SUCH DEFAULT, the Government at its option may declare all or any part of any such indebtedness immediately due and payable.

SUBSIDY REPAYMENT AGREEMENT: Borrower agrees to the repayment (recapture) of subsidy granted in the form of interest credits. Subsidy will be repaid when the borrower's account is settled by sale of the security property, refinancing or payment in full and will be calculated in accordance with regulations in effect at the time of settlement. Recapture is based on property appreciation and can equal all, some or none but never exceed the amount of subsidy received.

This Note is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Title V of the Housing Act of 1949 and for the type of loan as is indicated in the "TYPE OF LOAN" block above. This Note shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

THIS MORTGAGE is made and entered into by Lee S. Shultz and Kimberly L. Shultzresiding in Lancaster County, Pennsylvania, whose post office address is
15 Lakeview Place, Lititz , Pennsylvania 17543

herein called "Borrower," and The United States of America, acting through the Farmers Home Administration, United States Department of Agriculture, the Mortgagee, whose principal office is located in Washington, D.C., herein called the "Government," and:

WHEREAS Borrower is indebted to the Government, as evidenced by one or more promissory note(s) or assumption agreement(s) or any shared appreciation or recapture agreement, herein called "note," which has been executed by Borrower, is payable to the order of the Government, authorizes acceleration of the entire indebtedness at the option of the Government upon any default by Borrower, and is described as follows:

<u>Date of Instrument</u>	<u>Principal Amount</u>	<u>Annual Rate of Interest</u>	<u>Due Date of Final Installment</u>
August 30, 1991	\$77,500.00	8.75%	August 30, 2024
As Amended By Assumption Agreement Dated: March 22, 1993	\$72,500.00	7.75%	March 22, 2026
Also, A Subsequent Loan Dated: March 22, 1993	\$ 5,500.00	7.75%	March 22, 2026

(The interest rate for limited resource farm ownership or limited resource operating loan(s) secured by this instrument may be increased as provided in the Farmers Home Administration regulations and the note.)

And the note evidences a loan to Borrower, and the Government, at any time, may assign the note and insure the payment thereof pursuant to the Consolidated Farm and Rural Development Act, or Title V of the Housing Act of 1949, or any other statutes administered by the Farmers Home Administration.

And it is the purpose and intent of this instrument that, among other things, at all times when the note is held by the Government, or in the event the Government should assign this instrument without insurance of the note, this instrument shall secure payment of the note; but when the note is held by an insured holder, this instrument shall not secure payment of the note or attach to the debt evidenced thereby, but as to the note and such debt shall constitute an indemnity mortgage to secure the Government against loss under its insurance contract by reason of any default by Borrower.

And this instrument also secures the recapture of any deferred principal and interest or of any interest credit and subsidy which may be granted to the Borrower by the Government pursuant to 42 U.S.C. §§ 1472 (g) or 1490a, respectively, or any amount due under any Shared Appreciation/Recapture Agreement entered into pursuant to 7 U.S.C. § 2001.

NOW, THEREFORE, in consideration of the loan(s) and (a) at all times when the note is held by the Government, or in the event the Government should assign this instrument without insurance of the payment of the note, to secure prompt payment of the note and any renewals and extensions thereof and any agreements contained therein, including any provision for the payment of an insurance or other charge, (b) at all times when the note is held by an insured holder, to secure performance of Borrower's agreement herein to indemnify and save harmless the Government against loss under its insurance contract by reason of any default by Borrower, and (c) in any event and at all times to secure the prompt payment of all advances and expenditures made by the Government, with interest, as hereinafter described, and the performance of every covenant and agreement of Borrower contained herein or in any supplementary agreement, Borrower does hereby grant, convey, mortgage, assign, and forever warrant unto the Government the following property situated in the State of

(12) Except as otherwise provided by the Farmers Home Administration regulations, neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest in or to the lien or any benefits hereof.

(13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.

(14) The Government may (a) adjust the interest rate, payment, terms or balance due on the loan, (b) increase the mortgage by an amount equal to deferred interest on the outstanding principal balance, (c) extend or defer the maturity of, and renew and reschedule the payments on, the debt evidenced by the note or any indebtedness to the Government secured by this instrument, (d) release any party who is liable under the note or for the debt from liability to the Government, (e) release portions of the property and subordinate its lien, and (f) waive any other of its rights under this instrument. Any and all this can and will be done without affecting the lien or the priority of this instrument or Borrower's or any other party's liability to the Government for payment of the note or debt secured by this instrument unless the Government says otherwise in writing. HOWEVER, any forbearance by the Government—whether once or often—in exercising any right or remedy under this instrument, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

(15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.

(16) Default hereunder shall constitute default under any other real estate, or under any personal property, or other security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.

(17) SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should the parties named as Borrower die or be declared incompetent, or should any one of the parties named as Borrower be discharged in bankruptcy or declared an insolvent or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future laws.

(18) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (f) any balance to Borrower. At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.

(19) Borrower agrees that the Government will not be bound by any present or future laws, (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action must be brought, (c) prescribing any other statute of limitations, or (d) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new Borrower. Borrower expressly waives the benefit of any such State laws. Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent.

(20) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex, national origin, handicap, familial status or age, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex, national origin, handicap, familial status or age.

(21) Borrower further agrees that the loan(s) secured by this instrument will be in default should any loan proceeds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 CFR Part 1940, Subpart G, Exhibit M.

(22) Upon default by Borrower as aforesaid, the Government may foreclose this instrument as authorized or permitted by the laws then existing of the jurisdiction where the property is situated and of the United States of America, on terms and conditions satisfactory to the Government, including but not limited to foreclosure by (a) statutory power of sale, or (b) advertisement and sale of the property at public auction to the highest bidder in one or more parcels at the Government's option and at the time and place and in the manner and after such notice and on terms required by statute or determined by the Government if not contrary to statute, or (c) written agreement hereafter made between Borrower and the Government.

(23) THIS DOCUMENT MAY NOT SELL, CONVEY, TRANSFER, INCLUDE, OR INSURE THE TITLE TO THE COAL AND RIGHT OF SUPPORT UNDERNEATH THE SURFACE LAND DESCRIBED OR REFERRED TO HEREIN: AND THE OWNER OR OWNERS OF SUCH COAL MAY HAVE THE COMPLETE LEGAL RIGHT TO REMOVE ALL SUCH COAL, AND IN THAT CONNECTION DAMAGE MAY RESULT TO THE SURFACE OF THE LAND AND ANY HOUSE, BUILDING, OR OTHER STRUCTURE ON OR IN SUCH LAND. THE INCLUSION OF THIS NOTICE DOES NOT ENLARGE, RESTRICT OR MODIFY ANY LEGAL RIGHTS OR ESTATES OTHERWISE CREATED, TRANSFERRED, EXCEPTED OR RESERVED BY THIS INSTRUMENT.

BORROWER for Borrower's self, Borrower's heirs, executors, administrators, successors and assigns WARRANTS THE TITLE to the property to the Government against all lawful claims and demands whatsoever except any liens, encumbrances, easements, reservations, or conveyances specified hereinabove, and COVENANTS AND AGREES as follows:

(1) To pay promptly when due any indebtedness to the Government hereby secured and to indemnify and save harmless the Government against any loss under its insurance of payment of the note by reason of any default by Borrower. At all times when the note is held by an insured holder, Borrower shall continue to make payments on the note to the Government, as collection agent for the holder.

(2) To pay to the Government such fees and other charges as may now or hereafter be required by regulations of the Farmers Home Administration.

(3) If required by the Government, to make additional monthly payments of 1/12 of the estimated annual taxes, assessments, insurance premiums and other charges upon the mortgaged premises.

(4) Whether or not the note is insured by the Government, the Government may at any time pay any other amounts including advances for payment of prior and/or junior liens, required herein to be paid by Borrower and not paid by Borrower when due, as well as any costs and expenses for the preservation, protection, or enforcement of this lien, as advances for Borrower's account. All such advances shall bear interest at the rate borne by the note which has the highest interest rate.

(5) All advances by the Government including advances for payment of prior and/or junior liens, in addition to any advances required by the terms of the note, as described by this instrument, with interest shall be immediately due and payable by Borrower to the Government without demand at the place designated in the latest note and shall be secured hereby. No such advance by the Government shall relieve Borrower from breach of Borrower's covenant to pay. Any payment made by Borrower may be applied on the note or any indebtedness to the Government secured hereby, in any order the Government determines.

(6) To use the loan evidenced by the note solely for purposes authorized by the Government.

(7) To pay when due all taxes, liens, judgments, encumbrances, and assessments lawfully attaching to or assessed against the property, including all charges and assessments in connection with water, water rights, and water stock pertaining to or reasonably necessary to the use of the real property described above, and promptly deliver to the Government without demand receipts evidencing such payments.

(8) To keep the property insured as required by and under insurance policies approved by the Government and, at its request, to deliver such policies to the Government.

(9) To maintain improvements in good repair and make repairs required by the Government; operate the property in a good and husbandmanlike manner; comply with such farm conservation practices and farm and home management plans as the Government from time to time may prescribe; and not to abandon the property, or cause or permit waste, lessening or impairment of the security covered hereby, or, without the written consent of the Government, cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals except as may be necessary for ordinary domestic purposes.

(10) To comply with all laws, ordinances, and regulations affecting the property.

(11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and conveying the property.

REAMORTIZATION AGREEMENT

Account Number
[REDACTED]Effective Date
September 22, 2014

The United States of America, acting through the Rural Housing Service, United States Department of Agriculture (Lender), is the owner and holder of a promissory note or assumption agreement (Note) in the principal sum of \$ 72500.00, plus interest on the unpaid principal of 7.75000% per year, executed by KIMBERLY L SHULTZ and [REDACTED], (Borrower) dated March 22, 1993 and payable to the order of the Lender. The current outstanding balance includes unpaid principal, accrued unpaid interest, unpaid advances and fees. The total outstanding balance is \$ 65217.76.

In consideration of the reamortization of the note or assumption agreement and the promises contained in this agreement, the outstanding balance is capitalized and is now principal to be repaid at 7.75000% per annum at \$ 715.50 per month beginning October 22, 2014 and on the 22nd day of each succeeding month until the principal and interest are paid, except that the final installment of the entire debt, if not paid sooner, will be due and payable on March 22, 2026.

If the outstanding loan balance prior to reamortization was reduced by a payment which was later determined to be uncollectible, Rural Development will charge the account with an amount equal to the uncollectible payments. This amount is due and payable on the effective date it is charged to the account and may accrue interest at the promissory note rate.

Subject to applicable law or to a written waiver by Lender, Borrower shall pay to lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for : (a) yearly taxes and assessments which may attain priority over Lender's mortgage or deed of trust (Security Instrument) as a lien on the secured property described in the Security Agreement (Property); (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan, may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another law or federal regulation that applies to the funds sets a lesser amount. If so, Lender may, at any time, collect and hold funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

Exhibit "G"

The funds shall be held by a federal agency, including Lender, or in an institution whose deposits are insured by a federal agency, instrumentality, or entity. Lender shall apply funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits the Lender to make such charge. However, Lender may require borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the funds.

Lender shall give to borrower, without charge, an annual accounting of the funds, showing credits and debits to the funds and the purpose for which each debit to the Funds was made. The funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

Unless changed by this agreement, all of the terms of the note or assumption agreement or the instruments that secure them, remain unchanged.

Upon default in the payment of any one of the above installments or failure to comply with any of the conditions and agreements contained in the above-described note or assumption agreement or the instruments securing it, the Lender, at its option may declare the entire debt immediately due and payable and may take any other action authorized to remedy the default.

REAMORTIZATION AGREEMENT

Account Number
[REDACTED]Effective Date
September 22, 2014

The United States of America, acting through the Rural Housing Service, United States Department of Agriculture (Lender), is the owner and holder of a promissory note or assumption agreement (Note) in the principal sum of \$ 5500.00, plus interest on the unpaid principal of 7.75000% per year, executed by KIMBERLY L SHULTZ and _____, (Borrower) dated March 22, 1993 and payable to the order of the Lender. The current outstanding balance includes unpaid principal, accrued unpaid interest, unpaid advances and fees. The total outstanding balance is \$ 4435.80.

In consideration of the reamortization of the note or assumption agreement and the promises contained in this agreement, the outstanding balance is capitalized and is now principal to be repaid at 7.75000% per annum at \$ 48.67 per month beginning October 22, 2014 and on the 22nd day of each succeeding month until the principal and interest are paid, except that the final installment of the entire debt, if not paid sooner, will be due and payable on March 22, 2026.

If the outstanding loan balance prior to reamortization was reduced by a payment which was later determined to be uncollectible, Rural Development will charge the account with an amount equal to the uncollectible payments. This amount is due and payable on the effective date it is charged to the account and may accrue interest at the promissory note rate.

Subject to applicable law or to a written waiver by Lender, Borrower shall pay to lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for : (a) yearly taxes and assessments which may attain priority over Lender's mortgage or deed of trust (Security Instrument) as a lien on the secured property described in the Security Agreement (Property); (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan, may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another law or federal regulation that applies to the funds sets a lesser amount. If so, Lender may, at any time, collect and hold funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

Exhibit "H"

The funds shall be held by a federal agency, including Lender, or in an institution whose deposits are insured by a federal agency, instrumentality, or entity. Lender shall apply funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits the Lender to make such charge. However, Lender may require borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the funds.

Lender shall give to borrower, without charge, an annual accounting of the funds, showing credits and debits to the funds and the purpose for which each debit to the Funds was made. The funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

Unless changed by this agreement, all of the terms of the note or assumption agreement or the instruments that secure them, remain unchanged.

Upon default in the payment of any one of the above installments or failure to comply with any of the conditions and agreements contained in the above-described note or assumption agreement or the instruments securing it, the Lender, at its option may declare the entire debt immediately due and payable and may take any other action authorized to remedy the default.

APPEALS RIGHTS ATTACHMENT

If you believe the decision described in the attached letter or the facts used in this case are in error, you may pursue any or all of the following three options.

OPTION 1 - Reconsideration

If you have questions concerning this decision or the facts used in making it and desire further explanation, you may write this office to request reconsideration. There is no cost for reconsideration. This written request must be received no later than 15 calendar days from the date of the attached letter. You must present any new information, evidence and/or possible alternatives along with your request. You may skip this informal process and select one of the following two options. If you do, you will automatically waive your right to reconsideration.

OPTION 2 - Mediation

You have the right to request mediation or other forms of alternative dispute resolution (ADR) of the issues in this decision. *You may have to pay for the cost of mediation.* If you request mediation or ADR, and resources are available, Rural Development will participate in the mediation or ADR process. To request mediation or ADR, you must write the Rural Development State Director (see reverse side). The written notice must be postmarked by you no later than 30 calendar days from the date of this letter. Mediation and ADR do not take the place of, or limit your rights to, an appeal to the National Appeals Division (NAD); however, a NAD appeal hearing would take place after mediation. You may skip mediation and request an appeal hearing. However, in doing so, you will automatically waive your rights to mediation and reconsideration.

OPTION 3 - Request an Appeal

You may request an appeal hearing by the National Appeals Division (NAD) rather than reconsideration or mediation. There is no cost for an appeal. A request for an appeal must be postmarked within 30 days from the date on which you received this letter. You must write the Assistant Director of the NAD (see reverse side).

The appeal hearing will generally be held within 45 days of the receipt of your request.

You or your representative or counsel may contact this office anytime during regular office hours in the 10 days following the receipt of your request for a hearing to obtain copies of relevant, non-confidential material on your account. Your representative or counsel should have your written authorization to represent you and review your account records.

You may request a teleconference hearing or a personal meeting with a Hearing Officer. You may have a representative or counsel with you at these hearings and may present your own witnesses. At any time before the scheduled hearing you may also request that the Hearing Officer make a decision without a hearing. If you do, the Hearing Officer's decision will be based on the Rural Development file, any written statements or evidence you may provide and any additional information the Hearing Officer deems necessary.
